makers and handmade entrepreneurs - Indie Business Network

An entrepreneur is a person who starts and operates a new business venture and absorbs much of the financial risk that comes from doing that, rather than having an outside investor fund the project. Entrepreneurs strike out on their own or with a partner or partners, taking a business idea and turning it into a reality—usually by investing their own money into the venture and sometimes

handmade entrepreneur » Succeed As Your Own Boss

One of the challenges that artisans face when starting an arts and crafts business such as selling handmade cards (or any handmade items) is setting the price. The price of the card needs to reflect the work and the materials used and also return a profit for the maker, yet also needs to ensure that the card is affordable for the customer.
